

Florida College Investment Plan Joint Approval – Opt-In Form

This form may be used for Florida College Investment Plan accounts that were established prior to February 1, 2009.

Currently, the account owner alone may change the account owner, survivor or beneficiary, request voluntary termination of the account(s) and request refunds associated with the involuntary termination of the account, and any survivor designated for the account becomes the account owner upon the account owner's death.

By completing the form below, signing it, having the survivor sign it and having both signatures notarized, any future requests for changes of account owner, survivor or beneficiary, requests for voluntary termination of the account and requests for refunds associated with the involuntary termination of the account, will require the approval of both the account owner and the survivor. This contract change will also allow the account owner alone to make such changes if the survivor dies, or the survivor alone to make such changes if the account owner dies.

If you and the survivor decide to make this revision to the contract, it will apply to the account you list on the form below. Please note: this revision cannot be changed later.

Please remember:

- All signatures must be original and notarized.
- The notary must properly sign the form.
- The notary must date the form.
- A separate notary stamp is required for each signature even if the same individual notarizes both signatures.
- All signatures must be individually acknowledged by a notary.
