

Florida Prepaid College Plan Designation of Survivor & Joint Approval – Opt-In Form

This form may be used for tuition plan contracts that were purchased prior to February 1, 2009 that do not currently have a designated survivor. A survivor becomes the new account owner upon the death of the account owner.

Currently, the account owner alone may change the account owner, survivor or beneficiary, request voluntary termination of the account(s) and request refunds associated with the involuntary termination of the account(s). Any dormitory, local fee and tuition differential fee plans associated with the tuition plan are subject to the same requirements.

By designating a survivor in the space indicated on the form below, having the form signed by you and the survivor, and having both signatures notarized, any future requests for changes of account owner, survivor or beneficiary, requests for voluntary termination of the account(s) and requests for refunds associated with the involuntary termination of the account(s), will require the approval of both the account owner and the survivor. This contract change will also allow the account owner alone to make such changes if the survivor dies, or the survivor alone to make such changes if the account owner dies.

If you and the survivor decide to make this revision to the contract, it will apply to the tuition plan referenced on the form and any associated dormitory, local fee or tuition differential fee plans. Please note: this revision cannot be changed later.

Please remember:

- All signatures must be original and notarized.
- The notary must properly sign the form.
- The notary must date the form.
- A separate notary stamp is required for each signature even if the same individual notarizes both signatures.
- All signatures must be individually acknowledged by a notary.

If you have any questions, please call us at 1-800-552-GRAD (4723) and *press prompt 2*.

Sincerely,
