

TESTIMONIALS

"A college education is truly the last big gift a parent gives their child as part of growing up."

–Frank Zwanink of Miami, University of Florida graduate

"People don't know where these kinds of foundations you lay for your children may lead. We are just so grateful for the Florida Prepaid program."

–Susan Grieve of St. Cloud, mother of college graduate

"I definitely could not have gotten through college without the prepaid program. I wouldn't have had the same opportunities and I would be so far in debt."

–Susanne Grieve, scientific researcher stationed in Antarctica

"We have recommended the plan to anyone who would listen and had children."

–Addie Greene of Miami, mother of Florida State University medical student

"I knew I always had prepaid to back me up. I don't know how anyone would not benefit from the program."

–Edward "Eddie" Borrego of Miami, Florida State University student

"My life is truly changed and better because of the prepaid program. I have always sung the praises of the program, and now I am urging others to enroll their young children who are now the second generation of the Florida Prepaid program."

–Sharon Halverson, Nurse

"Having the Florida Prepaid Plan has enabled me to enter medical school virtually debt free from student loans. It also allowed my parents during my educational career to assist me in different educational and social opportunities."

–Leroy Cordero Floyd III of Fort Pierce, Florida State University medical student

"Tuition increased by 35 percent from the time we purchased the plan until my daughter attended college, so we saw the savings this plan provided us. We decided it would be a great idea to purchase plans for our grandchildren."

–Gary Fane of Jacksonville, retired professor

"Every grandparent would like to see their grandchildren get a college education. You want the best for them and one of the best things you can give them is a head start towards a college education."

–Justine Kellner McGeehan of Tallahassee, with grandchildren in Florida College Investment Plan
