

Build the plan that works for your budget and goals – get all four years at once or start with a 1-Year or 2-Year Plan.

Plan Type	College vs. University	Coverage	Benefits	Starting Price for a Newborn
 2-Year Florida College Plan	<p>There are 28 Florida Colleges statewide. Most offer two-year associate's and four-year bachelor's degree programs in growth industries. They offer an affordable and accessible path to a chosen career, diverse course offerings, convenient locations and tremendous flexibility at a lower cost than universities.</p>	<p>Covers tuition and most fees for the 60 credit hours generally required for an associate's (AA) degree or trade certification.</p>	<p>Practical and affordable. An AA degree from a Florida College guarantees admission to one of Florida's 12 State Universities. If you want, you can add up to two 1-Year Florida University Plans later.</p>	\$55.42/mo
 4-Year Florida College Plan		<p>Covers tuition and most fees for the 120 credit hours generally required for a bachelor's degree at a Florida College.</p>	<p>Ability to get a bachelor's degree for less. Most Florida Colleges offer bachelor's degree programs in high-demand fields, such as nursing, technology, and business administration.</p>	\$119.61/mo
 2+2 Florida Plan	<p>Get the best of both worlds – Florida College AND State University. This way you have the option to save on housing expenses by having your child live at home for the first two years. More than half of State University graduates start at a Florida College.</p>	<p>Covers tuition and most fees for the 60 credit hours generally required for an associate's (AA) degree at a Florida College AND the remaining 60 credit hours generally required for a bachelor's degree at a State University.</p>	<p>Save money on lower-level courses – more affordable than four full years at a State University, while graduating and receiving a bachelor's degree from one of Florida's State Universities.</p>	\$149.45/mo
 1-Year Florida University Plan	<p>There are 12 State Universities in Florida. They offer a broad range of undergraduate and graduate degrees in a dynamic atmosphere, providing the traditional "college experience" that many picture in their minds. U.S. News and World Report has named Florida the "Best State for Higher Education."</p>	<p>Covers tuition and most fees for 30 of the credit hours generally required for a bachelor's degree at a State University.</p>	<p>Our most affordable Prepaid Plan allows you to purchase one year of State University at a time as your budget and timeline allow, up to a maximum of four years. Other family members can purchase plans and share in the saving, too.</p>	\$46.61/mo
 4-Year Florida University Plan		<p>Covers tuition and most fees for the 120 credit hours generally required for a bachelor's degree at a State University.</p>	<p>This is our most popular Plan. Assure that the cost of tuition and most fees for the classic collegiate experience is covered, while earning a bachelor's degree.</p>	\$186.28/mo
 University Dormitory Plan	<p>University dormitory available in 1-year increments at any of Florida's 12 State Universities.</p>	<p>Covers the cost for two semesters of a standard, double-occupancy dormitory room at any of Florida's 12 State Universities.</p>	<p>Covers one more college expense – housing. Can also be used at some fraternity or sorority houses (if overseen by State University) or dormitory housing costs at other colleges nationwide. Can be purchased in combination with a 1-Year Florida University Plan, 2 + 2 Florida Plan or 4-Year Florida University Plan.</p>	\$47.89/mo

If the school your child ends up attending does not match the type of plan that you choose, the value of your plan can be applied to any Florida College or State University and also to most schools nationwide. You can add a Florida 529 Savings Plan at any time to save for other college expenses like textbooks, supplies, housing, computers and more.
