Educator Toolkit
The enclosed toolkit provides Florida educators with a number of outreach materials and tactics for advocating the importance of saving for college early. These resources can guide you as you educate parents about how Florida Prepaid can help prepare their child financially for college, while you prepare them academically. In this toolkit, you will find Florida Prepaid background information. As you plan and review these strategies, do not hesitate to reach out to our team and let us know of any additional materials or customization that is needed for your activation. Thank you for becoming a Florida Prepaid champion!
5 EASY THINGS TO DO

1. Talk about the importance of saving for college early! When families start saving early, they can lock in low monthly rates for a plan guaranteed by the state of Florida.

2. Send information that you will find in this toolkit home to parents in your student’s backpacks or take-home folders.

3. Talk to other educators and administrators about the ways your school can weave the college savings message into daily communications.

4. Ask your school if they are talking about Florida Prepaid on social media. Help us make sure that every parent knows how to start saving for college now and avoid debt later.

5. Put up Florida Prepaid collateral in your classrooms for parent/teacher nights or other events. See how you can get materials sent to your school on our Contact Page! (pg. 9)
The Florida Prepaid College Board encourages families to save now for a child’s college education, through a Prepaid Plan or Florida 529 Savings Plan. There are so many reasons why this is the best way to give a student as many opportunities as possible, in college and beyond.

**Education Pays**

- According to data from the U.S. Department of Labor, Bureau of Labor Statistics, graduates with bachelor’s degrees nationwide earn on average 65% more per year than those without.

**Higher Employment**

- A 2018 study from Georgetown University found that since 1991, good job opportunities declined by 1.8 million jobs for those with just a high school diploma – while they rose by 18.2 million for those with a bachelor’s degree.
- Georgetown University projects that by 2020, 65% of jobs will require post-secondary education.
- In 2018, the unemployment rate for bachelor’s degree holders was nearly half of those with only a high school diploma (2.1% vs. 3.9%), according to the Bureau of Labor and Statistics.

**Avoid Rising College Costs**

- According to the College Board, the price of an undergraduate college degree has risen by 213% from the 1980’s to now.

**Avoid Debt**

- Today, the average college student will graduate with $39,400 in student loan debt according to the U.S. Department of Education.
- Florida’s student loan debt rate is higher than anywhere else in the country, according to estimates from the credit rating agency Experian. Student loan debt in Florida jumped 35 percent to $89.4 billion between the third quarter of 2015 and the same period in 2018.
- As of 2018, the St. Louis Federal Reserve reports that student loan debt in the United States has reached $1.5 trillion.
Backpack Flier

The following flier can be placed in take-home folders or backpacks before February 1, 2020. Please contact our team if there are other collateral pieces that would be useful for parent communication.

College Savings Made Simple!

Florida Prepaid College Plans are guaranteed by the state of Florida.

With Florida Prepaid, saving for college is stress-free. Just pick a plan, set your monthly payment schedule, and we’ve got the rest!

Find the Prepaid Plan to fit your budget and family goals:

- **2-Year Florida College Plan**: Most affordable way to earn an AA degree from a Florida College and get guaranteed admission to one of Florida’s State Universities.
- **4-Year Florida College Plan**: Most convenient and affordable way to earn a bachelor’s degree from a Florida College in high-demand fields.
- **2 + 2 Florida Plan**: Best of both worlds…save money on lower-level courses while receiving a bachelor’s degree from one of Florida’s State Universities.
- **1-Year Florida University Plan**: Most flexible plan allows you or other family members to buy one year of State University at a time as your budget allows, up to four years.
- **4-Year Florida University Plan**: Widest variety of bachelor’s degree options from one of Florida’s 12 State Universities.

**DON’T WAIT TO START SAVING FOR COLLEGE**

We know you communicate with parents in a number of ways and we would appreciate your help to reach families about the importance of our college savings program. The following messaging can be sent in an email to parents or adapted for other forms of communication that work best for your school.

Email

Dear Parents,

*Insert seasonal greeting*

The thought of sending your children off to college one day might be the furthest thing from your mind, but it’s never too early to save for college. In fact, the earlier a family begins saving, the lower the cost per month.

We want to make sure you know about an affordable, flexible option for college savings that is guaranteed by the State of Florida, and has already helped more than 450,000 students attend college.

Florida Prepaid College Plans offers prepaid tuition plans for a variety of budgets. Lock in tomorrow’s tuition costs with guaranteed plans starting at $47 per month. Open Enrollment begins every year in February, but you can start the enrollment process today and receive pricing information once Open Enrollment begins.

1. According to the Florida College System, by 2020, 65 percent of all jobs in Florida will require postsecondary education.

2. The Federal Reserve reports that student debt across the U.S. stands at about $1.5 trillion.

3. In Florida, the average debt load for those with college loans is more than $23,000.

We encourage you to learn more about the college savings options available and start implementing your plan to reduce or avoid student loan debt for your children.

When is Open Enrollment and what does it mean?

- The Florida Prepaid College Board’s annual Prepaid Plan Open Enrollment period is February 1 - April 30.
- Open Enrollment is the only time of the year families can purchase a Florida Prepaid College Plan, and lock in this year’s plan prices.
- During this time, families can select one of five Prepaid Plans, each with specific costs, payment schedules and benefits.
- Families can open a 529 Savings Plan account at any time of the year.

What Prepaid Plan options are available?

We offer five Prepaid Plans, each with specific costs, payment schedules and benefits which all include tuition and other specified fees at 28 Florida Colleges or 12 State Universities.* Though each option is designed to be used at a Florida College or State University, the amount covered by the plan can also be applied to other schools nationwide. All Prepaid Plans are guaranteed by the State of Florida, so families can never lose their investment. Florida Prepaid Plan options include:

- **2-Year Florida College Plan:** The 2-Year Florida College Plan covers tuition and other specified fees for 60 lower division credit hours at a Florida College. This plan offers a child the opportunity to earn an associate’s degree or trade certification in any number of fields, and is an excellent springboard to a fulfilling career or further education.

- **4-Year Florida College Plan:** The 4-Year Florida College Plan covers tuition and other specified fees for 60 lower division credit hours and 60 upper division credit hours at a Florida College – the amount generally required to earn a bachelor’s degree. Most Florida Colleges now offer bachelor’s degree programs in growth industries like nursing and teaching. With diverse course offerings and convenient locations, this offers tremendous flexibility and multiple degree options should a child wish to attend school close to home or anywhere throughout the state.

- **2 + 2 Florida Plan:** The 2 + 2 Florida Plan covers tuition, tuition differential fee and other specified fees for 60 lower division credit hours at a Florida College and 60 credit hours at a State University. Your student can earn the same degree in the same amount of time as if they had completed all four years at a State University, and will do so knowing both of you have saved money.

- **1-Year Florida University Plan:** The 1-Year Florida University Plan covers tuition, tuition differential fee and other specified fees at a State University for 30 credit hours – one quarter of the 120 credit hours typically needed to obtain a bachelor’s degree. Our most affordable Prepaid Plan allows extended family members or friends to purchase a year or two as well, making saving for college a team effort.

- **4-Year Florida University Plan:** The 4-Year Florida University Plan covers tuition, tuition differential fee and other specified fees at a State University for 120 credit hours – the amount generally required for a bachelor’s degree. Florida’s 12 State University System institutions blanket the state and offer the widest variety of bachelor’s degree options.

* Please refer to the Master Contract for specified fees and plan coverage.
Does a student lose their Prepaid Plan benefits if they receive a scholarship, move somewhere outside of Florida or decide to attend a private college, out-of-state college or technical school?

➤ No, they do not lose their plan benefits.

➤ If a child receives a scholarship (like Bright Futures), the amount covered by a plan – not just what was paid in – can be refunded or used to pay for qualified educational expenses not covered by the scholarship.

➤ If a parent or child moves out of Florida, the child remains eligible for in-state tuition and fees at a Florida College or State University when they use their plan.

➤ Finally, if your child enrolls at a school other than one of Florida’s 28 Public Colleges or 12 Public Universities, the defined benefits covered by a particular Prepaid Plan can be transferred to a private or out-of-state eligible educational institution.

What are the Prepaid Plan prices and payment options?

➤ A Prepaid Plan cost calculator is available at: myfloridaprepaid.com.

➤ Prices vary depending on plan type and the age of the beneficiary.

➤ For added flexibility, families can select from any of the three payment options; monthly, 5-year or lump sum. The most popular of the three options is to make monthly payments, with more than two-thirds of families going with that option.

How are Prepaid Plan prices calculated?

➤ Prepaid Plan prices are carefully calculated, taking into account three factors:

   • The current cost of tuition and fees.
   • What the cost is expected to be by the time the child is ready to attend college.
   • Projected investment yields.
