

NOTICE OF AMENDMENT

As stated in Section 5.04 Evaluation Phase, ITN 20-01 Liability Driven Investment Management Services, the Florida Prepaid College Board (Board) intends to select up to five (5) Respondents for each of the portfolio mandates to the shortlist. However, the Board reserves the right, after posting notice thereof, to expand the shortlist to include additional responsive Respondents for negotiation. The Board will provide individual notice to each Shortlist Respondent.

At the Validation meeting that took place on April 7, 2020, the Board decide to, in the best interest of the State of Florida, expand the shortlist from five to eight respondents.
