

### **NOTICE OF AMENDMENT**

As stated in Section 5.04 Evaluation Phase, ITN 21-01 International Equity Portfolio Investment Management Services, the Florida Prepaid College Board (Board) intends to select up to five (5) Respondents to the Shortlist. However, the Board reserves the right, after posting notice thereof, to expand the shortlist to include additional responsive Respondents for negotiation. The Board will provide individual notice to each Shortlist Respondent.

At the Validation Meeting that took place on April 21, 2021, the Board decided to, in the best interest of the State of Florida, expand the Shortlist from five (5) to six (6) Respondents.
